

TPC | 55" Industrial Touchscreen Panel PC

- ◆ 55" Touchscreen Panel PC, 1920x1080 Full HD
Reliable HMI solution, Robust design & build
- ◆ Panel Mount or VESA Mount
- ◆ CPU Options: ATOM, Celeron, i3, i5, i7 6th Gen.
- ◆ Win 10 IoT Enterprise Operating System installed.
- ◆ Projected Capacitive Touchscreen
- ◆ Robust internal AC power supply with optional
12, 24, & 48 vDC operation.
- ◆ Black or Stainless Steel finish, bespoke options
- ◆ Designed, hand assembled and fully supported by
Nemacom in the UK.

The Nemacom TPC range of robust, high specification Panel PCs set the standard for today's demanding Industrial Computing requirements. Rugged, compact and available in a choice of mounting options, the TPC Panel PC is designed for optimum reliability & performance. Our TPC Panel PC range benefit from an IP65 seal to the front Panel / Viewable Area, offering full protection against water and dust ingress.

With a choice of powerful CPU options, our robust Industrial Panel PCs are the ideal solution for a wide range of Computing / HMI applications including:-

Automation | Food Process | Manufacturing | Process Control | Retail | Public Access

Available in Black or Stainless Steel.
Mounting: Panel Mount or VESA Mount.
Front Viewable Area sealed to IP65.
